

Grant Development and Red Team Review Support

In an effort to catalyze new research as a part of Delaware EPSCoR / Project WiCCED, Red Team Reviews and grant development support will be offered to researchers in Delaware engaged with Project WiCCED.

Funding support will be provided for the following activities related to grant development:

- Writing retreats (travel to/from meetings, lunch, etc.)
- Full “red team reviews”
- Copy editing services
- Graphic design services
- Grant writer

Priority will be given to projects that meet at least one of following criteria:

- Big, interdisciplinary projects
- Bring together researchers from multiple institutions within the project
- Bring together new, multi-disciplinary teams
- Are related to issues surrounding water security in the state of Delaware and further the Project WiCCED and Delaware EPSCoR missions

To apply for this funding support, please send Maddi Valinski (mvalinsk@udel.edu) an email with the following information:

1. Proposed project title
2. Draft abstract of the grant
3. Approximate total budget (if awarded)
4. Name(s) and affiliations of collaborators
5. Name of funding opportunity and link to RFP (if applicable)
6. Grant due date
7. Type of submission (1st submission, resubmission, letter of intent, etc.)
8. Amount of support requested and what these funds will be used for

All efforts will be made to respond to requests for funds within 1 week.
