

## **Job Posting: Communications Interns**

### **Description**

EPSCoR/Project WiCCED is looking for 2-3 Communications Interns with an environmental & scientific orientation. On average, the communications intern will work 10 hours/week on the project.

### **Responsibilities**

- Develop materials for public viewing about EPSCoR/Project WiCCED
- Manage collection of news articles featuring EPSCoR/Project WiCCED
- Create online content (i.e. Twitter posts, Facebook posts, web content, videos, news stories, etc.)
- Assist in other parts of EPSCoR/Project WiCCED, as needed

### **Requirements**

Applicants should have strong writing skills, with the ability to work in teams. Experience with various social networking platforms is required; video or photography experience is preferred (but optional). Understanding of environmental issues and scientific inquiry is required.

### **Pay**

\$12/hour

### **Location**

Work will occur primarily in ISE Lab or Townsend Hall, depending on preference and coverage needs.

### **To Apply**

Email Maddi Valinski ([mvalinsk@udel.edu](mailto:mvalinsk@udel.edu)) a copy of your resume and a short writing sample (1-2 pages). Please include “Communications Intern” as the subject line of the email. Applications will be accepted until the positions are filled, and review will begin on Friday, September 6<sup>th</sup>, 2019.
